BARNSTABLE HIGH SCHOOL
HYANNIS MASS

The Class of 1948

PRESENTS

THE BARNACLE

A Comedy in Four Acts

Producer	Mr. F. Hodge
Director	Mr. T. Groves
Stage Manager	Mr. H. Levinson

"All the world's a stage,
And all the men and women merely players;
They have their exits and their entrances
And one man in his time plays many parts."

Shakespeare

With the able directing of our producer, Mr. Groves, who has driven hard to equal the excellent Barnacle produced by last year's staff, the members of the staff have given up a great deal of their precious time after school as well as during school to write, plan, gather material, and edit the "Barnacle."

They have tried to include pictures and articles on all the activities in which their classmates have participated in during the past four years.

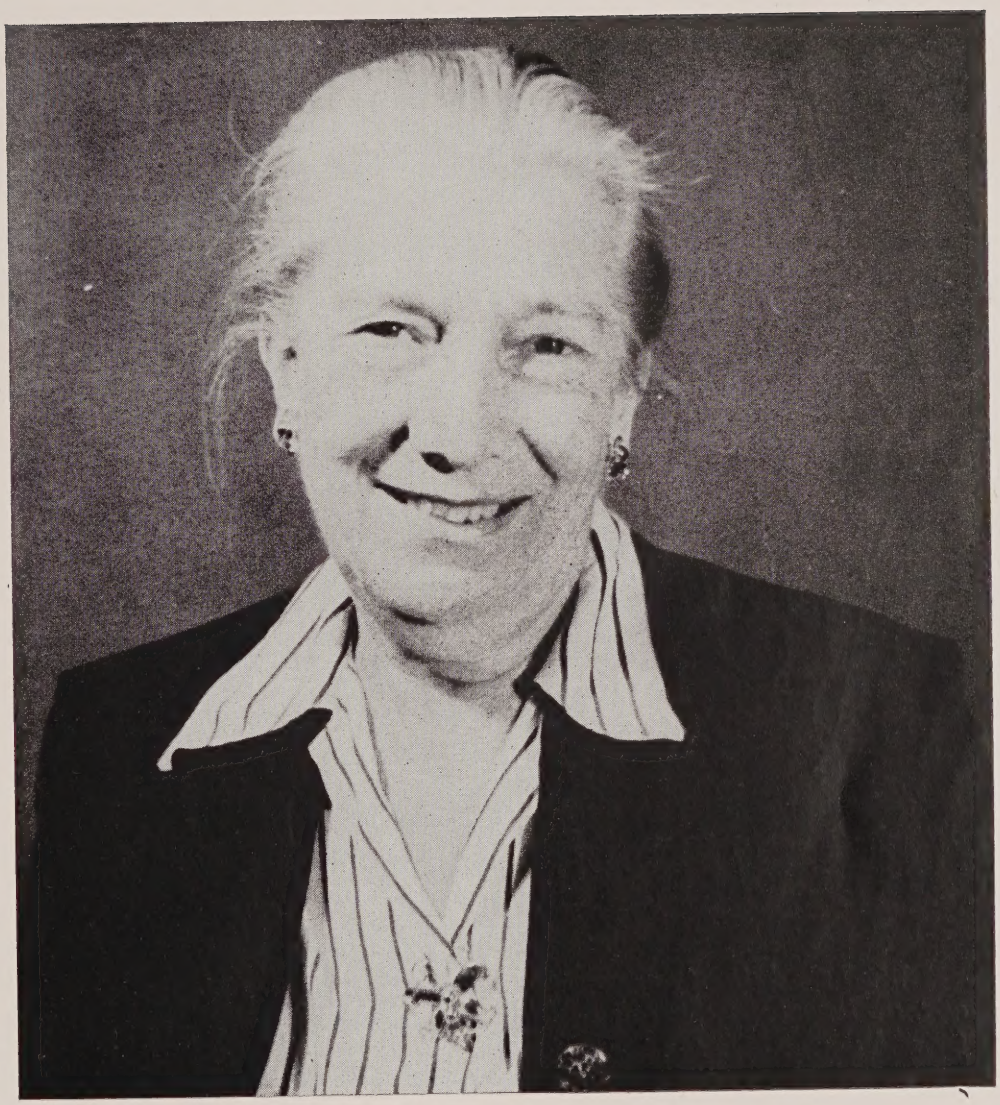
By the introduction of an original theme, that of a theatrical presentation and by the extensive use of pictures, its members hope that they have achieved their aim.

Dedication

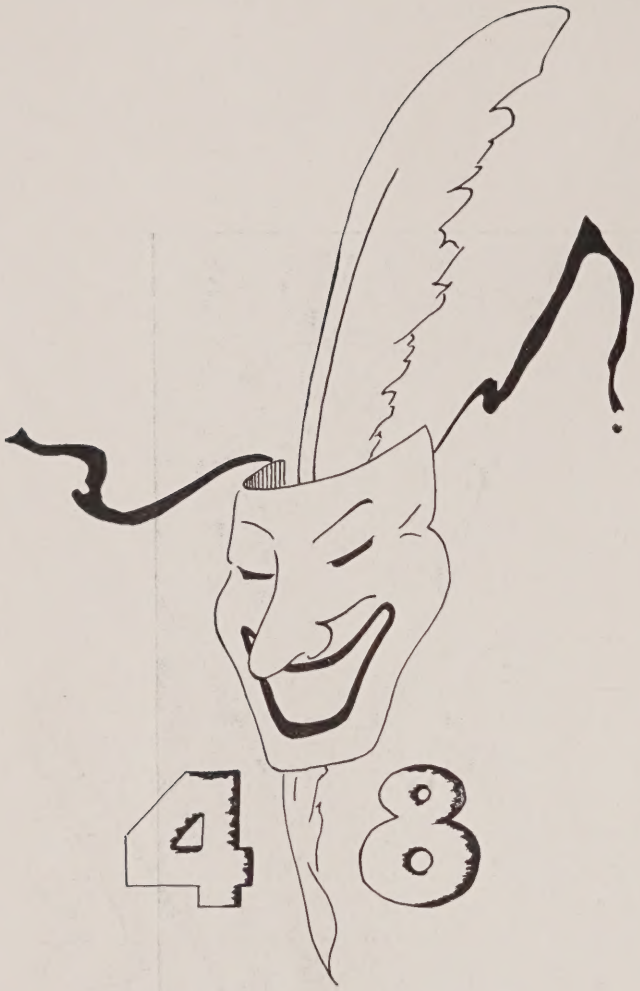
The class of 1948 is proud to dedicate their Barnacle to Miss Janet Jones, director of the Art Department of Barnstable High School who retired last November. Work done by her classes has decorated the halls of our building for many years.

Many of us who had no artistic ability found ourselves taking Art just for the enjoyment of being in one of Miss Jones' classes. She had great faith in every one of her students and in the work each could do. She spurred us on to do the best we possibly could, sharply criticizing when we didn't, but always praising when we did.

Miss Jones has so endeared herself to us by her widely spread affection and mildly caustic humor that her retirement has left a sense of vacancy in the remaining portion of our school lives. She never forgot one of her pupils and it will be a long time before any one of them forget her.



Janet Jones



FOREWORD:

With the help of our producer, directors, coaches, and members of the cast, we have been able to complete the production which is here presented for unknown critics to view and judge.

In this year's edition of "The Barnacle," we have tried to recall the important scenes and the roles we played in them of unforgettable years at Barnstable High School.

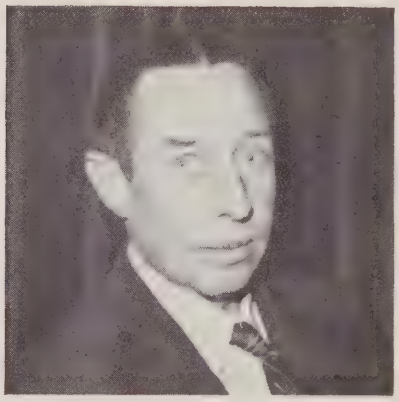
The school has endeavored to train us to meet the different and more exacting roles which we will be called upon to play in the future.

The future will reveal to each of us how much we have benefited by that training.

Acknowledgements

To our Producer, Mr. Frederick M. Hodge, the Class of 1948 extends its thanks for his patience and understanding kindness throughout all of our days at Barnstable High School.

To Mr. Thomas Groves, our Stage Director, we extend gratitude for his efforts in advising us in the preparation of "The Barnacle," and for direction of our class play.



The Class of 1948 also expresses its heartiest thanks to our manager, Mr. Henry Levinson, who has given us the friendly guidance that has helped to make our high school days pleasant ones.

Coming Attractions

February 10, 1968

Dear Doc,

I was so pleased to hear from you the other day and hope you're enjoying your vacation at Palm Beach this winter.

Much has certainly happened in the last twenty years. No doubt, you've heard that Jerry Cummings is campaigning for the republican presidential nomination. It seems pretty certain that he will get it too. Stuart Baker has been appointed head of the New Atomic Development board—he won the Nobel Prize in Science last year, you know! Costas is doing a wonderful job as the town's leading dentist and Julio is a great success as Michigan State's football coach. Nancy Pocius has been assistant editor of the Ladies Home Journal for a couple of years now. Oogie Pringle is a special correspondent in Europe for Life magazine and has written a new best seller, too. Betty Coleman was a Powers model for about five years before she married a certain local boy! Shirley Brown as you probably know was Miss America of 1952. Eddie Bloom was recently appointed to the Supreme Court. Helmi and Diana are very popular teachers at Radcliffe College. Their husbands both teach at Harvard which makes it nice. Carlo owns a big chain of automobile stations in New England and George Sethares is opening his twelfth restaurant next week. Marshall Greene is in the used car business—Goofy Man Greene they call him—and he is making a mint, so they tell me. Sid Wright is a pretty prominent artist these days—he's got a cottage down in Provincetown in the summer. Bill and Betty Haberer's oldest son graduates from high school this fall; my, my, how time flies. Bill is doing very well in the real estate business, too. Helen Panesis is running her father's business, or rather her husband is; she is kept on the go with the children. Penny Sethares has her own beauty shop in Hyannis. Lorraine Short is a housewife and loves it! Flip Sherman is head basketball coach at Rhode Island State, your old alma mater, and has an undefeated season, so far.

Harry Thomas has written a book on history and dedicated it to Miss Newcomb! Priscilla MacRoberts is superintendent of nurses at Massachusetts General Hospital, and Muriel Robbins and Eleanor Coy are both head buyers for large department stores in New York. Alice Ojala is an official interpreter for the United Nations at Lake Success. Connie White gave a piano recital at Symphony Hall last week and it was wonderful. Bob Baroa is the Business manager for *Time* and a very efficient one from all reports. Ed Kelly is a broker in the New York Stock exchange. Ruth Pierce is basketball coach at our old Alma Mater. Barb Bearse, Gerry Broughton, Jean Conant, Laila Hemmila, Sally Montcalm, and Peggy Sentio are doing their share of bed-making and dish-washing but none of them have been heard to complain so far. John Libby has a co-operative farm bureau in Marstons Mills now, but he still manages to enter a few prize roosters in the Poultry Show every year. Bill Jacobson joined the navy twenty years ago and he's about ready for retirement now—with a fat pension too! Bob Johnson and

Pret Morris went into partnership, too. Yes, you guessed it—the insurance business. George Souza is the treasurer of the Easy Squeeze Loan Company. Joan McLean has a thriving business selling hand knit socks. It started as a hobby, but how it grew! Frannie Levine is a big time magician now. He made his wife disappear the other day and now he can't find her any place! Louise Martin has a new radio program. Another comedy show—Merry Minutes with Martin, I think it's called. Marion Bennett is her manager and sees that she gets to the station on time. Marilyn Caswell writes a syndicated poetry column. Even the Standard Times carries it! John Buckler has a garage. Buckler's Grin and Bear It Service Station, it's called, next to the Smiling Service Station on Centerville Road. Jackie Childs runs the Four Seas in Centerville now and Jimmy Childs has the Seven Continents Restaurant right across the street. Rozie George is in San Moritz this winter at the Olympics. Her little daughter won the figure skating championship of the world, you know.

Leonard Brown is Vice-President of the Cape and Vineyard Electric Company. I always knew he was a live wire. (Sorry Doc, but I couldn't resist it.) Mary Brown is the chief supervisor at the Hyannis Telephone Office. Ray Babbit has charge of all the life guards at the Cape beaches in the summer and takes over in Florida during the winter. What a job! Anne Behlman owns the Oyster Inn in Cotuit. She gets $50 a day for a room! What a wonderful orchestra Dana Brown has—Dana Brown and his Royal Cape Codders! Joe Pina is busy exploring the frozen continent of Antarctica. Bill Proctor, Walter Pollock, and Burton Robbins are operating a chain of grocery stores, while Marilyn Murphy runs an exclusive Irish Linen Shop on Fifth Avenue. Katherine Rocha runs a home nursery for busy mothers and Sally Montcalm is head Dietician at the Cape Cod Hospital. June Hayden has her own tearoom in West Barnstable now and her many friends gather there for the latest gossip. Robert Kelly and William Cash are co-owners of the Kelly-Cash Auto Company in which Bob designs the new cars and Bill puts them together. Doris Pells runs an employment agency and Gordon Davis founded an escort bureau for lonely summer girls in Hyannis. Emelia Frazier heads the Wing-ding Earring Company and Ernestine Lopes has a profitable position as head seamstress at Paramount Studios. Bill Davidson is President of the Merry Moustache Wax Company and, since the advent of the "new look" in moustaches, has prospered greatly. Lucille Rosary is in London this season, having been commissioned to paint a portrait of the Royal family. Jim Crocker has been head of the F. B. I. since the resignation of J. Edgar Hoover, and Tom Doran is his specal assistant, charged with capturing beautiful women spies. John Coolidge and Charles Eldridge established a new record for circumnavigating the world in an atom-powered boat designed by the famous shipbuilder, Joe Pelton.

That's about all for now, Doc. It's getting a little chilly here so I guess I'll run down cellar and shovel a few more atoms into the furnace. Here's hoping I hear from you before another 20 years go by.

Very sincerely,

PAT ROWLEY, '48

Student Council

The Student Council, though it has not been as active this year as in other years, has carried on various activities which have benefited the student body.

The Council conducted an assembly in November for the purpose of giving the students a more accurate picture of its activities, and members of the Council have helped at basketball games in taking tickets and keeping order.

On several occasions the Student Council took charge of the voting for class officers and for the nomination and election of Senator and Representative for Good Government Day.

We hope that in future years the Student Council will be built up to become a truly strong Student government.

Clipper Staff

For many years we have enjoyed the "Clipper" the school magazine which has connected us with all our students as well as with other schools. Mrs. Towey's assistance, in coordination with the editorial department, has, these past few years, brought forth one of the most outstanding publications in the Columbia Press Association. Our hearty thanks go out also to Miss Hayden, the typing staff advisor, and Miss Whelan, who helped the business department, whose work and talent have been so invaluable.

Glee Clubs

The two glee clubs, this year numbering 150 members in all, took part in two major activities; the Christmas Concert, given December 19, 1947, and the production of "The Gondoliers," a Gilbert and Sullivan operetta, presented April 22 and 23, 1948.

In the Christmas Concert, which was much applauded, the clubs joined in all but three of the numbers.

"The Gondoliers," presented by the combined glee clubs under the able assistance and direction of Mr. Rodney Wiggin, was a huge success. The cast and chorus, ably assisted by the high school orchestra, gave an outstanding performance which will long be remembered.

Band

Football games were not complete without a peppy blast and blare from the band. This organization was always faithful and accompanied the team to all out-of-town games.

Under the leadership and direction of Band Master, Joe Santos, and Mr. Rodney Wiggin the band paraded on the field exhibiting many new formations. The new conga formation formed with the seven lively-stepping drum majorettes was a favorite with the spectators.

At the end of the football season the band, headed by its Treasurer, Priscilla Gaffney, conducted a successful drive for new uniforms.

Orchestra

Under the direction of Mr. Rodney Wiggin, the Barnstable High School Orchestra has supported "Pinafore," "Gondoliers" and other musical entertainments conducted at our school. Their achievements in this field have proven the fine musical talent possessed by the members.

Many outstanding musicians are selected each year to journey to the annual Music Festival, where they display the ability which has placed our orchestra in its high standing.

FOOTBALL

The Barnstable football team completed the 1948 season with a record of winning three games and losing six. Despite the actual records B. H. S. was proud of its team for the A-1 spirit, teamwork, and sportsmanship it showed. Barnstable took its hard schedule set before it, into its stride, and gave a good fight in every game. The team was aided by its medal-winning Captain Renzi, Coach Shields and Assistant Coach MacSwan.

Barnstable started the season with two discouraging losses to Milford and Taunton. Recovering from its defeat, the team forged ahead to trounce Northbridge and Somerville Vocational. The winnings of these games showed a football team that was a strong threat. The football team and faithful followers looked forward to the big game of the year with Coyle with high hopes of winning, but Coyle pocketed a victory over the hard-fighting Barnstable team. The team recovered from this loss by giving Fairhaven a bitter defeat. Closing its season with three losses to Plymouth, New Bedford and Falmouth on Thanksgiving, the team didn't feel discouraged because of the record but felt proud of the showing it gave both in good games and in its developing teamwork and sportsmanship.

Basketball

The Barnstable High School dribblers finished the basketball season with a record of four games won and eight lost. The outstanding game of the season was Barnstable's first victory over Provincetown in the past six years. From this year's squad only Captain Philip "Flip" Sherman will be lost by graduation.

Girl's Sports

This year the girls' sports program began with intra-class hockey. Captain Barbara Howard's freshman team lost to Captain Barbara Brown's sophomore team, while Captain Barbara Bearse's senior team beat Captain Barbara Gifford's junior team. In the final game the seniors won and each girl received 1948 numerals.

Intramural hockey teams were formed with girls from each class on a team. The games were played as a tournament program and the winning team was that captained by Rosie George. Each girl received a BHT.

After the intraclass and intramural hockey seasons came to a close, Coach Katherine Nehubian issued a call for candidates for the varsity basketball squad. Approximately fifty girls reported for practice at the beginning of the season. Of this group, twenty-five were selected as the most experienced and promising players. Ten games were scheduled for the season.

The girls worked hard and long before the opening game at Orleans, which was a loss for them. They then scored successive victories over Harwich, Sandwich, and Provincetown. The next game was lost to Yarmouth on Yarmouth's floor but the girls came back with two victories, one over Yarmouth on the home floor, and one over Falmouth at Falmouth. A tie with Orleans at Hyannis and a defeat at Provincetown, followed then by a victory over Sandwich, concluded the girl's season.

Credit for the success of the team goes, of course, to Coach Nehubian, the managers, and to the other members of the squad who gave the first team some hard practice.

To complete the season, intraclass and intramural basketball teams were formed. The intramural tournament was won by Captain Anne Clarke's team. The intraclass captains were Sylvia Renzi, freshman; Sally Johnson, sophomore; Aune Mikkonen, junior; and Jane Daniel, senior. Under the leadership of Jane Daniel, the seniors won the intraclass basketball game and once again received 1948 numerals.

Cheerleaders

Always on the scene, cheering both the football team and the basketball team on to victory, were our seven pretty cheerleaders. The cheerleaders had numerous new cheers this year that helped to strengthen the morale and to inspire both spectators and players. The effect of their new uniforms also brightened the spirits of everyone.

The cheerleaders this year were capably led by Betty Coleman and advised by Miss Mildred Whelan. The senior cheerleaders leaving the squad this year are Patricia Harris, Betty Coleman, and Nancy Pocius.

Baseball

Although the baseball team has played no games to date, Coach Charles Howes has a bright outlook for the season. Fortified by several able veterans and new members, the team is looking forward to a successful year. Ten games are scheduled with other Cape teams.
